**Re: Public Service Commission Review of South Carolina Code of Regulations
Chapter 103 Pursuant to S.C. Code Ann. Section 1-23-120(J)
Docket Number: 2020-247-A**

Dear Ms. Boyd:

Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (together, the “Companies”) appreciate the opportunity to submit comments and participate in the Public Service Commission of South Carolina’s review of Article 3 of its regulations governing Electric Systems. The Companies submitted their initial recommendations on April 6, 2021, and are still in the process of reviewing the proposals and comments filed by other parties to this docket. Given the compressed timeline for submitting reply comments, the Companies have not had sufficient time to consult their relevant subject matter experts and prepare a comprehensive response. The Companies respectfully reserve their right to file any necessary reply comments after the workshop scheduled for April 16, 2021.

Thank you for your consideration of this matter.

Sincerely,

Katie M. Brown
